Memorandum

To: CAAHEP/JRC-DMS Accredited Programs

From: Cindy Weiland, Executive Director

Date: 3/31/2010

Re: JRC-DMS Annual Report Dates

The previous policy regarding submission of annual report data included only two times during the year (December and May). Programs were invoiced each year in October for annual fees applicable to the upcoming year. Because programs operate under differing fiscal and academic calendars, the JRC-DMS has amended its annual report policy to include two additional dates of submission. In addition, annual fees will be due at the time of annual report submission.

If a date listed below other than your program's currently assigned annual report date better meets the needs of your institution, you will be provided a one time opportunity to request an alternate date. Requests must be made in writing on program letterhead and may be emailed to magat@jrcdms.org.

Annual Report and Annual Fee Submission Dates:

March 15

May 15

August 15

December 15
